ken.greene@flydenver.com

Mr. Ken Greene is currently the Deputy Manager of Aviation for Maintenance at Denver International Airport (DIA). He joined DIA in April 2009 as Senior Advisor to Manager of Aviation Kim Day.

Mr. Greene is responsible for the maintenance of the airport's main terminal and concourses, airfield, roadway system, vehicular fleet, and snow removal operation. In addition, his career includes seventeen (17) years with the Port Authority of New York and New Jersey, the bi-state agency that manages transportation facilities in the New York metropolitan region. His last position with the agency was Assistant Director, Operations for the Port Authority's airport system that includes LaGuardia, Kennedy, Newark Liberty, and Teterboro Airports.

Ken has an MBA degree in Strategic Management from Pace University in New York City.
