Ms. Catherine Mayer is the primary liaison for SITA with airport industry organisations, ensuring SITA's availability and support for committees, conferences and industry missions.

Catherine is an active participant in Airports Council International (ACI), including serving as Chairman of the ACI World Business Partners Board and becoming the first non-Airport member to be appointed as an observer to the ACI World Governing Board (2006/2011).

Catherine has represented SITA in testimonial on aviation security to the US Congress and is SITA's official representative on several International Air Transport Association (IATA), American Association of Airport Executives (AAAE) as well as other industry committees.

Previously Catherine was responsible for developing and leading the Airport Services solution line including the financial results of the global business, strategy, product portfolio, implementation, customer satisfaction and improving the business to ensure SITA continues to meet the needs of the ever-changing air transport industry.

Catherine's unique understanding, vast experience and worldwide contacts with both international and domestic airports and airlines are what enable her to contribute a unique perspective to SITA and to the aviation industry.
