Dr. Andreas Papatheodorou is a Senior Advisor to DATTEA – Dedalos Aviation Transport and Tourism Education and Advisory Ltd.

Dr. Papatheodorou is also Associate Professor in Industrial and Spatial Economics with Emphasis on Tourism at the University of the Aegean, Greece and an External Examiner at Cranfield University, United Kingdom.

Dr. Papatheodorou gained a MPhil in Economics and a DPhil in Geography from the University of Oxford and commenced his academic career at the University of Surrey in year 2000. He is a Fellow of the UK Tourism Society and a member of the Executive Board of the International Association for Tourism Economics.

Dr. Papatheodorou collaborates closely with the Arab Air Carriers Organization in the context of executive training in aviation. Moreover, he has participated in over 20 research projects and studies funded by national and international organizations. He has been advising the Greek governments on tourism matters since 2000 on an ad hoc basis. In 2009 he was recognized as an Emerging Scholar of Distinction by the International Academy for the Study of Tourism.

Dr. Papatheodorou is the Editor-in-Chief of the Journal of Air Transport Studies and has published extensively in areas related to air transport and tourism economics and geography.
